MEMORANDUM FOR: Deputy Director/Intelligence

SUBJECT : Changes in the Institutional Structure
of the Soviet State

1. I refer to the chart entitled "Evolution of the Institutional Structure of the Soviet State." Certain changes have occurred in the institutional structure of the Soviet State recently. Please amend your chart as follows:

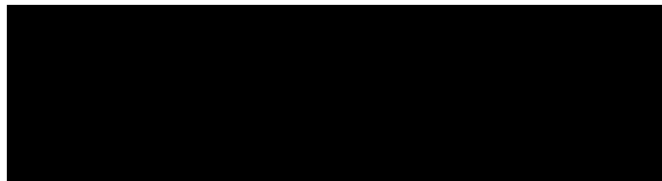

a. Add new Ministries

- (1) Ministry of City and Rural Construction:
established on 5 August 1954,
I. Kosyulya, Minister
- (2) Ministry of Transport Construction:
established 5 August 1954,
E. Koshelnikov, Minister

b. Divide the former Ministry of the Maritime and River Fleet into the Ministry of the Maritime Fleet (V. Bakayev, Minister) and the Ministry of the River Fleet (Z. Shashkov, Minister). Effective from 28 August 1954.

c. The Main Administrations of State Food Reserves and State Material Reserves are believed to have been combined to form the Main Administration of State Material Reserves.
